Re: Student Drop-Offs

Assalaamu alaikum wa rahmatullahi wa barakaatuh,

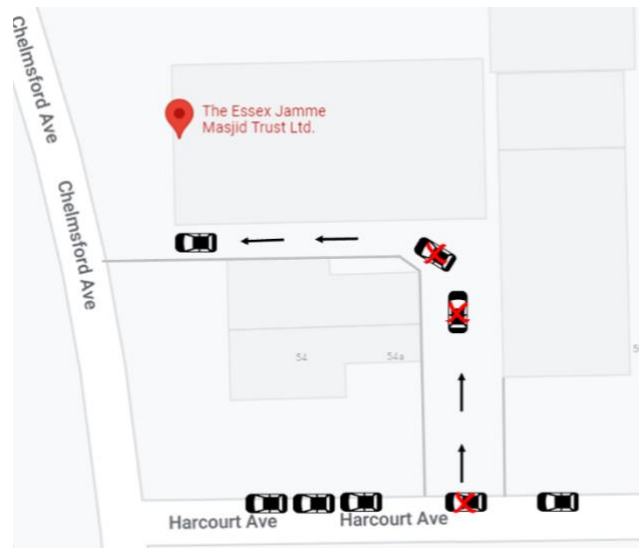

Dear Parent/Guardian,

I hope you are in the best of Imaan and health In Sha Allah.

This is a reminder regarding drop off and pickups of students during the weekends. We request all parents/guardians to be respectful during this time to everyone, including our peers, neighbours and staff.

When dropping off your child:

- Use the full length of the car park
- Park vehicle on left side as much as possible, creating a safe walkway for pedestrians
- Do not stop at the middle of the car park
- Do not block the entrance
- Do not reverse out of the car park
- Be mindful of safety of children & pedestrians

Not adhering to the above can hold up many other parents trying to drop off their child. In order to avoid congestion, please consider leaving and making the journey to the academy a little earlier to get here before the congestion starts. Or where possible, park in neighboring roads and walk to the masjid.

Please always remember good etiquette and try to practice it with everyone as we are all role models to our students and children.

Jazakumullahu khair,
EJM Academy.
